

Knights of Columbus Keep Giving

Boynton Beach, FL -- Knights of Columbus State Deputy James Schonefeld, Jim Kelly, the Knights State Director for Vocations and Jose' Jimenez, of Oklahoma City, and Hispanic Development Coordinator of the Knights of Columbus Supreme Council,

visited the seminary on September 9th. As part of the on ongoing support of the Knights through the "Change for Change" awareness and fund raising program to provide direct support of the seminary, Msgr. Keith Brennan, Rector and President of the Seminary was presented checks totaling \$8,500 raised by councils from Knights of Columbus members across the state. That amount along with additional funds raised earlier this past summer brings the total to just under \$10,000 as a result of the new partnership to support the seminary.

Mr. Jimenez was in town and traveling statewide with Schonefeld and other state officers to help mentor Hispanic involvement in the Knights. The second phase of the project will focus on councils across the state conducting their own individual local campaigns to increase awareness and raise funds for seminary operations. Congratulations and a sincere thank you again to the Knights for the undying support of SVDP.
